Be Inspired

Plan for Action

HR Professionals Gather in September to Better Support the Lean Enterprise

Being an HR professional in a Lean Enterprise has a unique set of challenges that most HR professionals don't experience. The Lean People Development Summit is designed to equip you with the skills and knowledge to address those challenges. The Summit is focused on companies on a Lean Journey, and is designed specifically for those in HR. Join your peers this **September 11-12, 2017 in Savannah, GA!**

By HR for HR

The Summit was planned *by* HR professionals *for* HR professionals, so that the agenda will address the issues you face. This also assures that you'll be learning next to your HR colleagues and sharing your common experiences and struggles. The organizing committee includes...

Committee Chair: Cheryl Jekiel, *Author "Lean HR"*
Rebecca Bettencourt, *E&J Gallo Winery*
Jennifer Hale Davis, *MetLife*
Karen Gaudet, *Lean Enterprise Institute*
Susan Kamacho, *Gemline*
Carrie Youngblood, *Kittitas Valley Healthcare*

*For practitioners,
by practitioners.*

Introducing the Organizing Committee for the
2017 Lean People Development Summit

Be Inspired

You know that HR has a role in creating a Lean culture, but what does a successful engagement look like? By attending the Summit, you'll hear from the world's most successful Lean and Lean HR practitioners, giving you a target condition with a path to get there. [Pictured: Cheryl Jekiel, Art Byrne, Jamie Andrus]

Plan for Action

The Lean People Development Summit is designed for action. Sessions offer practical, real-world applications - not just theory. These real-world lessons will prepare you to hit the ground running on Monday morning. *Turn connections and inspiration into action!*
